

Calculation Step 1

$$\frac{\$ \text{ Qualified Wages (QW)} + \$ \text{ 35 \% of Qualified Non-Wages (QE)}}{\$ \text{ Estimated Tax Credit Amount}} =$$

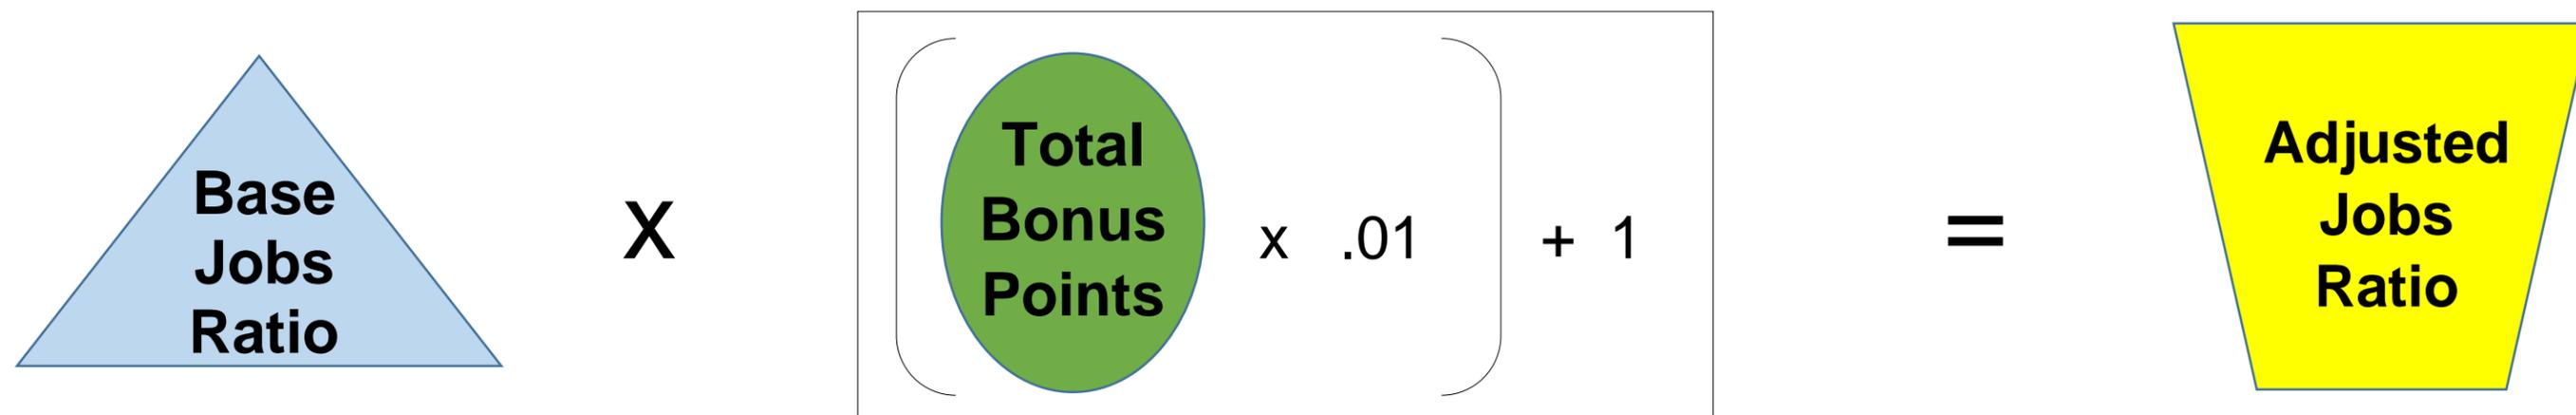

Applicants input project budget data into on-line application and system will calculate and display Jobs Ratio.

Calculation Step 2

Ranges to establish bonus points for the above criteria will be posted to the CFC website prior to any application period.

Calculation Step 3

The above Jobs Ratio calculation applies to projects applying before May 1, 2016.
